SERENE SCANDINAVIAN SPACES

Every room a living room

EXPAND YOUR HORIZONS on elegant, intimate ships, thoughtfully designed by experienced nautical architects and designers to help you connect with your destination in every way.

When we set out to *reinvent the ocean cruise*, we reimagined our ships completely—from the inside out—with graceful rooms designed for your comfort and serenity. We have no casino or kiddie pools; instead we created open, light-filled spaces to inspire and refresh you along your journey.

We have designed our ships down to the most minute detail—from the serene Wintergarden, perfect for a calming cup of tea; to our Scandinavian-inspired Spa, a Nordic sanctuary of wellness; to the Explorers' Lounge, where you can share your latest adventures with fellow travelers as you *take in spectacular approaches* to the Geirangerfjord or the cascading temperate rainforests of Alaska's Inside Passage.

ART, LITERATURE & HERITAGE INFUSE YOUR EVERY MOMENT. Our elegant spaces are complemented by a thoughtfully curated onboard collection of art, literature and vestiges of history.

- Peruse *classic and contemporary paintings, sculptures and photographs* by esteemed Scandinavian artists.
- See one of the largest collection of works by master Expressionist *Edvard Munch* outside of Oslo's Munch Museum.
- Admire the richly textured *Bayeux Tapestry* which tells the story of the Battle of Hastings and the Vikings' connection to this significant event.
- Enjoy our *Met Under the Stars*, select showings of the Metropolitan Opera's magnificent performances.
- In our *well-curated Library*, select from a broad range of titles from history to architecture.
- Visit the *Viking Heritage exhibit* to browse replicas of tools and clothing from the Viking Age.
- Gain invaluable insight into *the rich history of your destination* from our *onboard Viking Resident Historian*
- Our *Viking Art Guide app* enhances your experience further with insightful commentary about our onboard art and unique Scandinavian spaces.

Viking Star is one of the “most luxurious and design-forward vessels sailing today.”

THE SPA

MAKE RELAXATION AN INTEGRAL PART OF YOUR JOURNEY. We offer you more than just a pool and spa: We've re-created the Scandinavian bathing ritual with an elegant touch, resulting in the most unique experience at sea. Take a dip in our *Infinity Pool*, set at the ship's stern with stunning views. Alternately, enjoy the perfect swim in any weather under the *Main Pool's retractable roof*. At *The Spa*, treat yourself to holistic wellness. As our guest, renew your body and spirit in our complimentary hot sauna or thermal pool, then step into our Snow Grotto, a sanctuary of gentle snowfall and chilled air. If you wish, you may indulge in a soothing massage, facial or other treatment from LivNordic, Scandinavia's leading spa, right on board. It's the ideal way to begin or end a day of exploration.

“The Spa is expansive and beautifully designed.”

The most al fresco dining at sea

AT VIKING, WE CELEBRATE DINING BOTH ON SHORE AND ON OUR SHIPS. *Viking Sun* puts the spotlight on fine dining in The Restaurant, which serves three full meals and the widest choice of culinary options. Our alternative restaurants—the World Café, The Chef's Table and Manfredi's Italian Restaurant—serve both *regional specialties and American classics*. Imagine sampling authentic dim sum in The Restaurant while gazing upon Hong Kong's Victoria Harbor through windows that open to bring in your destination. Or sipping Darjeeling tea and savoring chicken tikka masala as you glide along India's breathtaking coast. Or ending your day with assorted Norwegian smørbrød and split pea soup at Mamsen's, our traditional Scandinavian deli serving light meals based on Mamsen's own recipes.

Whatever your tastes, dining is more than just a meal, *it's part of your journey.*
